Ecompanda.

Company fact sheet

For anyone writing about Ecompanda. Everything here is on ecompanda.co/media-kit too.

ABOUT

Ecompanda is a Shopify agency started in 2021. We design and build stores, move brands to Shopify from WooCommerce, Magento and other platforms, and work on making their products easy for Google and AI assistants to find. Our clients are DTC brands in the US, UK and EU, and we quote and invoice in US dollars.
